

# ***L'Anse Area Schools***

**July 2021**

**Employee of the Month**

***Theresa Bianco***

Theresa has worked at L'Anse Area Schools for the past 5 years and is currently our school district's Business Manager. Theresa was nominated for Employee of the Month by a teacher because she is always timely with assistance and strives to make sure everything is okay. She's always there when people have questions and reaches out to others for information when needed. Theresa is pleasant to work with, and always finds a way to make people laugh. She is always willing to step in and help out wherever is needed including being a bus monitor on the first day of school, filling in for the school secretary and in the library. Like so many other staff, Theresa has had significant changes in her workload during Covid due to unexpected budget changes for both revenue and expenditures. She has persevered through these challenges and is a crucial part of our school's administrative team. We greatly appreciate Theresa's dedication in working toward the success of L'Anse Area Schools!
