

L'Anse Area Schools
February 2024
Employee of the Month
David Ruhman

Dr. David Ruhman has worked at L'Anse Area Schools for almost 2 years now but has an extensive background in education. He is a math teacher in 6th - 9th grades and is also the advisor for the National Honor Society. He was nominated for Employee of the Month because of his service attitude and willingness to help out the district however is needed. He has a very humble, giving and unselfish attitude that is admirable. Mr. Ruhman serves on the district's Crisis Team and is a calm and caring presence during difficult times. He is dedicated to helping his students understand math concepts by using real-world examples and works hard to help students reach their goals. Mr. Ruhman is well respected by his colleagues and his students. He lives in Lake Linden with his wife, who is also a teacher, and they have five adult children. We greatly appreciate that Mr. Ruhman has chosen to be a part of the team at L'Anse Area Schools!
